## ✧ Yoga Holiday with Debbie Mills ✧

*Explore the magical beauty of The Dolomites at The Romantik Hotel Turm*

This first time retreat in one of the UNESCO World Heritage sites will surely be one you'll never forget.

The Romantik Hotel Turm is owned and operated by Head Chef Stefan Prahmstrahler and his wife.

Their eye for detail is impeccable and the staff never miss a beat. The gourmet

food is out of this world, yes, even the 1001 calorie menu!

The saunas, spa and grounds

will both delight and ease your senses.

During the afternoons, you are free to relax by the pool, hike, bike, use the

gym or even swim in the lake, and after, the saunas await!
